By combining music, dramatic text, sets, costumes, and dance, Opera has had a powerful effect on the human heart, mind and soul for over four hundred years.

Our Mission

- To provide dedicated volunteer service to Piedmont Opera, our amazing local opera company.
- To contribute to, promote, and support Piedmont Opera and the OPERATORS.
- To provide our members with social and educational opportunities.

Our Maestro's Message

There is one thing that seems to knit together everyone associated with Piedmont Opera. PASSION. We all have a passion for opera and for the success of this opera company. Some have loved opera all their lives, while others have just discovered opera. The company is lucky that these talented and devoted friends are focusing their passion on the success of this company - and having a great time while they're at it! I don't know how we could bring opera to the Triad without the devotion and skill these folks bring to the mission of the company.
